

TENSAS BASIN

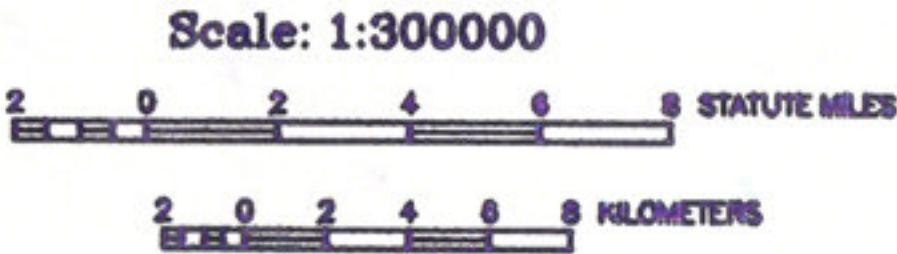

Vicinity Map

- Legend:**
- Transportation
 - - - Wildlife Manangment Area
 - Hydrology Transport System
 - Project Boundary

Project Location: Tensas, Madison and East Carroll Parishes

Field Data: Provided by USDA-NRCS Water Resources Division, Alexandria, La.

Base Source: USDA-NRCS Digital STATSGO data, USGS 7.5' Base Quads. Universal Transverse Mercator Projection; Ellipsoid - Clarke66, Received Backswamp Data, Modified Canal Systems, and Wildlife Management Areas from the GIS Coordinator, Mississippi River Alluvial Plain Project, The Nature Conservancy. General Landuse Data (1992) obtained from The Nature Conservancy was originally sampled by the La. Dept. of Environmental Quality.

Note: Some of the Data provided to the USDA Natural Resources Conservation Service may not meet National Map Accuracy Standards. In the case of raster data, groundtruth was not available to support a comprehensive accuracy assessment.
